Commissioner for Patents

The submissions of information disclosure statements filed 8-16-07 fails to comply with 37 CFR 1.97(d) because all lack a statement as specified in 37 CFR 1.97(e). All have been placed in the application file, but the information referred to therein has not been considered.

Applicant is reminded that the issue fee must be paid within three months from the mailing date of the notice of allowance or the application will be abandoned.

As indicated in the petition decision of record, filing of an Request for Continued Examination (RCE) and submission will effectively withdraw an application from issue prior to payment of the issue fee.
